To create an account or log into your account, go to http://www.cityofcalabasas.com/library.html. Click on E-Media tab near the top of the page. Next, click on the fourth link that says Streaming Video. On the third page, click on InstantFlix powered by IndieFlix.

Create an account (link in upper right) from the RB Digital Gateway page. Enter your library card number and other required information. Passwords must be at least four characters long and contain both numbers and letters. Passwords are case sensitive. Usernames are not. If you have a login for another RBdigital product you do not need to register again.
