[Next](#)

Begin by creating an account in the name of the “Head of Household” – the person who will be responsible for registering and paying for classes and programs. Family members can be added later.

Please fill in all of the information to establish your account. **An asterisk (*) next to the box indicates required information** – you won’t be able to continue until the box is filled in. When you are ready to proceed to the next screen, click the **Next** button in the bottom right corner.

The Primary Phone Number you list can be your home phone or your cell phone – whichever one is most answered.

In order to receive text messages about class changes or cancellations, please fill in the Cell Phone boxes (even if it is the same as your Primary number). You'll also need to include your cell carrier information from the drop-down menu and check off the "Agree to receive text messages" box.

The **Email Address** you enter here will become your account's Login Name. This is also where registration information, copies of receipts, etc. will be sent. To continue with registration, click **Next**.

Notice that the email address you entered earlier carries over to the **Account Information** page to become your **Login Name**. In this section, you need to choose a **Password** for your account. Note the requirements for a secure password. City of Calabasas staff will not have access to your password. Choose one you will remember!

After you choose and confirm your Password, click one of the buttons at the bottom of the page: Click **Create Account & Add Family Member** to add additional people to your account; or click **Create Account** if the account is only for yourself.

Create Account

Create Account and Add Family Member

Emergency Contact information is particularly important for children. Choose someone that is NOT the parent or guardian (someone for us to contact should we not be able to reach the parent or guardian). You can continue to add additional family members or finish for now by choosing the appropriate button.
