

CITY of CALABASAS

HISTORIC PRESERVATION COMMISSION AGENDA REPORT

JANUARY 4, 2012

AGENDA ITEM #5

TO: Members of the Historic Preservation Commission

FROM: Geoffrey Starns, AICP, Senior Planner 

SUBJECT: Historic Brochures

BACKGROUND / DISCUSSION:

Staff has developed brochures in the past highlighting our historic landmarks and our historic preservation program in the past. The Commission asked staff to put this item on the agenda this item to allow the Commission to discuss what additional brochures, or other materials you would like to see developed for the historic preservation program.

In order to conserve paper, we have not copied the existing brochures for you in the packet. They were provided to the Commission in the binders the Commission received several months ago and the individual landmark brochures are also available on the City's website at <http://www.cityofcalabasas.com/departments/planning/historic.html>.
