I understand my child must present a valid pass each trip, failure to do so will result in refusal of service. I understand that as a public transit service, the pass does not guarantee a seat; it permits boarding of the transit service - If capacity is reached on transit vehicles my child will need to wait for an additional shuttle to arrive. I certify my child has read and understands the public transit rules and regulation; if my child violates any of these rules he or she may be dismissed from the bus or suspended from use of the peak hour public transportation service.

Parents are advised that the City of Calabasas does not supervise shuttle stops and that the City of Calabasas is not responsible for conduct of passengers at shuttle stops.
