Description:

As a recipient of FTA funding, the City of Calabasas is required to implement a Title VI Program that demonstrates that no transit program or service provided by the City creates discrimination toward any demographic of the population served by that program or service. The City engaged Moore & Associates, Inc., an independent public transportation consulting firm, to prepare the City of Calabasas' Title VI Program in accordance with FTA Circular 4702.1B, dated October 1, 2012.
