

***Hair Love by Matthew A. Cherry, Illustrator Vashti Harrison***

Hair Love is a beautiful celebration about a father and his daughter, Zuri, and her hair. Zuri, who admits, “There is nothing my hair can’t do”, needs a special hair style and daddy is there to help. The love between father and daughter is amazing and the self-confidence that Zuri’s dad helps build, shows how important it is that love and confidence is taught at an early age.
