

A High Five for Glenn Burke by Phil Bildner

A heartfelt and relatable novel from Phil Bildner, weaving the real history of Los Angeles Dodger and Oakland Athletic Glenn Burke--the first professional baseball player to come out as gay--into the story of a middle-school kid learning to be himself. This is a powerful story about the challenge of being true to yourself, especially when not everyone feels you belong on the field. The Library has this title in book and e-book.
