

CITY *of* CALABASAS

NOTICE OF UNSCHEDULED VACANCIES
(Government Code Section 54974)

Notice is hereby given, pursuant to California Government Code Section 54974, that the following unscheduled vacancies exist:

- **Communications and Technology Commission:** One (1) board member position is open for appointment with a term ending January 2027.
- **Environmental Commission:** One (1) board member position is open for appointment with a term ending January 2027.
- **Calabasas Community Foundation:** One (1) board member position is open for appointment with a term ending January 2027.

Applicants for all Commissions must be residents of the City of Calabasas for the duration of their respective terms of office. Final appointment will be confirmed by the City Council.

Those interested in being considered for appointment to the above listed Commission(s) should submit a [Commission Application](#) by Friday, June 12, 2026, to City Clerk Kristy Buxkemper at kbuxkemper@cityofcalabasas.com.

COMMUNICATIONS AND TECHNOLOGY COMMISSION

Dedicated to assuring that Calabasas has up to date technologies that will enhance the quality of life for all at home, school, work and play. The purpose of the Commission is to advise the City Council on various matters relating to the City's cable television franchises, video services, telecommunications issues, communication technology, and other relevant emerging technologies. In addition, the Commission acts as a planning commission when reviewing and approving wireless telecommunications facilities.

ENVIRONMENTAL COMMISSION

This environmental organization is composed of a diverse group of volunteers who contribute their time and energy to work as a team to continuously monitor and improve the quality of life for all species and the quality of resources by providing ideas and information that advocate the community's vision for Calabasas, Los Angeles County and the State of California. The commission advocates sound environmental policy and action in the areas of air quality, land use, water quality, waste management, flora and fauna and resources (water & energy).

CALABASAS COMMUNITY FOUNDATION

The Calabasas Community Foundation is a non-profit organization dedicated to securing the resources needed for meaningful programs, impactful projects and engaging events that uplift every member of community. By engaging residents and businesses through philanthropy and civic involvement, the Foundation aims to create lasting positive change, strengthen community bonds, and enrich the experience of living, working, and playing in Calabasas.
